Kodagi Inam lands bearing a berij of Rs: 6" 5" 10 in the village of Malkanhalli Malur Taluk, was confirmed to Govind Rao Binji on ½ quit rent for life.

The Inamdar died. The lands were confirmed to his son Babudas Binji on full assessment

Babudas failed to pay Govt. dues. The lands were sold for arrears & are now held by the purchasers.

During the revised settlement the Inam was confirmed to Babudas on ½ quit rent in perpetuity.

The Inam Supdt. suggests that the Ex-Kodagidar may be assigned some Govt. unoccupied land as Inam.

The Ex-Kodagidar is willing to pay up the arrears (Rs: 38" 10" 1)

in question of abolished the Dy Comr will be asked to select some other land (unoccupied) & recommend an alienation of cultivable waste not exceeding one half the Kodagidar shared from the benefit of the abolished settlement.

The Deputy Commissioner
who was requested in
this Office docket No. 2018
dated 17th August 1895 R 762 to
report the dates of the several
incidents has submitted
the foregoing Memo: from
which it is now clear
that the Kodigé Inam
refered to was sold in
July 1888 not on account
of the arrears of assessment
alone
due as per original Settle-
-ment but on account
of the arrears of Quit rent
due from 1878-79 the year
in which the original
Settlement was made
and also the assessment of
the lands subsequent to
the date of the death of Govinda
Row Birje to whom the ~~original~~
Inam was originally confirmed
on half quit-rent. Mrs

the Kodeejdar has forfeited his right to the Inam by the non-payment of the quit-rent for which the Inam was sold. The D'Honr has not apparently noticed this point.

Intimation of the sale of this Inam for default of payment of the quit-rent not having been given to the Superintendent of Inam Settlements, this officer seems to have brought the ~~Inam~~ so-called Inam which had been already sold, under the revised settlement ~~ordered~~ applicable to all Kodeeji Inams, and furnishes in the usual course the result to the Revenue authorities, on wh the present recommendation is based.

It is therefore a point for consideration as to whether the Inam should be revived.

in accordance with the
revised Settlement of Kodigi
Inams made in 1889.
The Inam Commissioner instead
of selecting the land in the
Village in which the original
Kodigi Inam existed, has proposed
the grant of a portion of Survey
No 268 of the Mastè Village. This

land ~~of~~ measures 2 acres &
6 guntas of which 1 acre & 15 guntas
are dry and 31 guntas wet, and it
is proposed to grant as Inam
1 acre of dry & 31 guntas of wet
land, leaving a small area
of 15 guntas of dry land to be
made into a separate number.
The sub-division may perhaps
lead to inconvenience.

Though the Dy Commissioner
does not say a word as to why
he selected land in the Mastè
Village, it appears from one
of the Vernacular Statements
that no lands are available
in the Malakanahalli Village.
There are however instances
of personal Inams having
been granted in Villages other
than those in which the original
Inams existed, but it is a
point for consideration whether
Kodigi Inams may be granted
in Villages other than those in which
Kodigi Banks or the original
Kodigi Inams existed. If this
is held to be inappropriate, & if no

Govt lands are available in the Malabumalulli Village the Dy Commissioner may be requested to allot out of the Khata lands if any, of the Inamdar in the village an Inam, a portion equal to the survey valuation of the original Inam sold by Government.

Kolar Deputy Comm'r's Office
Dated the 19th Oct'r/91

To

The Chief Secretary
to the Dewan of Mysore

Sir

I have the honor to state that a Kodage Inam comprising dry and wet lands with a Bariz of Rs 6-5-10 attached to the Village of Malkanhulli in the Masti Hobli of the Malur Taluk was Confirmed to one Govind Row Birje on ½ quit rent for life at the orignal Inam settlement and Subsequently on his death, the lands were brought under full assessment and Continued to his son Babu Row Birje

2 The latter having failed to pay the assessment due to Government, the lands were duly sold in Satisfaction of the arrears and have passed into the hands of others who purchased the Same at the sales.

3 The Inam has since been received during the recent revision and Confirmed to Babu Row Birje on ½ quit rent in perpetuity by the Inam Superintendent

Who

has intimated the fact to the Maha Amildar in his order No. 31 dated the 18th April 1889.

4 Babu Row Birpa lost the Kodagi lands by failing to pay up the Kandayam due to Government thereon in accordance with the terms of the original Settlement and the auction purchasers who have been in lawful possession and enjoyment of the lands are not willing to restore the same to him

5. The Inam Superintendent who was addressed by me with a view to a withdrawl of his order for the revival of the Inam in question is of opinion that the ex-Kodigdar should be allowed to participate in the benefit of the Government order for the revision of Kodagi Inams and that Babu Row Birpa may be given some Government unoccupied land as Inam on the terms of the new Settlement.

6. I herewith submit for reference and obliging return when no longer required a file of correspondence

ending with the Amildars Urzi No 300 of the 26th August 1891 from which it appears that my predecessor Mr Abdul Rahim had an intention of recommending the grant of a fresh land to the Kodagidar as Inam in lieu of that forfeited by him provided the latter paid up all the arrears due to Government on the Inam, as per new Settlement minus the portion already paid or recovered by Sale

7. Such arrears amount to Rs 38-10-1 and Babu Row Birpu states that he will pay the same as soon as he is given an Inam in exchange for that resumed.

8. Under these circumstances I solicit orders on the subject.

9. The requisite alienation Statement will be submitted in the event of the Government been pleased to decide in favor of the grant of a fresh Inam to the Ex-Kodagidar.
